Because the shop is closed, all pick-ups will be by appointment only, and again, no returns, refunds, or exchanges are allowed. I hope you find something to inspire you at a great savings! Watch your email for the next offer.

Dear Fibernuts,

As wonderful as the internet is, the small business (or individual) can only access so many resources without having large expense. My recent email offers have become too large for many servers to handle and I'm getting a lot of rejections from AOL, gmail, etc. which is directly related to the format I was using. Therefore, I'll try this format: creating only PDF attachments and I'll see if that helps. I'll also be sending out the email notices after 5:00 p.m. to make it more fair for those who cannot access their personal email until the evening.

The email offerings have been very successful (for both me and the yarnie who is getting a fantastic deal!), with at least 70% of the items being sold! Having said that, there are still some lots that are still available, so if you have your eye on something from a past email, give me a call and you might be surprised!

Please feel free to forward this PDF file to anyone you think would love a yarn-related bargain. Because there is still so much inventory left, I'll try to issue new catalogs every few days instead of once a week. If you do not want email, please send me a reply with "unsubscribe" in the subject line.

Happy shopping and happy savings!

[TO PLACE AN ORDER](#)

DO NOT RESPOND VIA EMAIL! Please call Jackie Goff at 419-304-8408 and leave a specific message stating what you want and how to reach you. DO NOT LEAVE any credit card information on my cell. I will call you as soon as I can to arrange the purchase of the items.

In the event multiple buyers are interested in the same merchandise, I will contact the buyers on a first-called, first-served basis. Once the merchandise is sold, I will call other interested parties to advise them of the status of their request.

Buyer will make appointment to pick up merchandise (or ship) within 24 hours of purchase when possibl.

Gentle Reminder and Request For Help

IF you don't want to get email from us, please do NOT mark it as spam. Just delete it and send me an email to remove your name. If you put the email into your spam filter, or mark it as spam, it sends a message back to Buckeye labeling me as "spamming" and Buckeye will shut down all of my shop's email addresses! Buckeye has put me on notice that if I get any more SPAM hits, they will close my accounts! I never send email to anyone unless they have signed up for the email service.

Please communicate with me—don't put me in your SPAM BOX! Thanks so much!

PS—tell your friends about that! A legitimate business can incur great expense if they get labeled as spammers. Most people don't realize a message goes back to the sender's internet provider when they click the spam button or move the mail to the spam folder. Help me keep my email flowing! :)

Stash or Crayon Box Sweater Anyone?

A Crayon Box Jacket (Pattern by Chrys Bylsma at <http://www.chrisbylsmadesigns.com/patterns.html>) is a garment made up of several types of yarn, including novelty yarn, knit into squares to make a stunning piece of wearable art.

A stash sweater is similar and uses up to 26 types of leftover yarn to make a truly “statement” sweater.

This collection of muted blue yarn will get you started on any one of these, or similar mixed-media types of patterns.

Please note that the stash sweaters pictured here, is a pattern designed by Diane Dippold, and similar patterns are available on the internet or at fine LYS. Note: there is enough yardage for a large scarf or shawl but there is NOT enough for either sweater pictured here.

Please see the next page for the list of yarn included in this lot.

Regular Retail price was \$235.60

PS—You may want to pick out a couple of matching buttons when you pick up your yarn!
